SKILLS

`Java` `SQL` `HTML`
`CSS`

LANGUAGES

English, Kannada, Hindi
Full Professional Proficiency

IDE TOOLS:

`Eclipse` `Git Hub`
`Visual Studio`
`MySql` `NotePad++.`

EDUCATION

B E in Mechanical | VTU
Jawaharlal Nehru New College Of Engineering, Shivamogga
2018 - 2022   *7.87 CGPA*

PRE UNIVERSITY EDUCATION
D V S Composite PU College, Shivamogga
2016 - 2018   *68.83%*

SECONDARY EDUCATION
S B H S Tarikere
2016   *81.28%*

TRAINING

Xworkz, Rajajinagar
Workplace/Company
2022 - Present
Courses
□ Java enterprise-application development course

PROJECTS

Development of Heat exchanger by using solar water heater for cocking purpose.
This project can reduce 20% use of LPG gas for cooking purpose in households , hotels ,conventional hall, etc. and many of solar cookers are already in market but this project is different and more efficiency than solar cooker

TECHNICAL SUMMARY

Knowledge about JDK, JRE,JVM

Basics of Java

Good Knowledge on OOP's.

Good knowledge on Constructor, Constructor chaining

Good knowledge on Methods and Method Overloading, Method Overriding

Strong knowledge on class and objects and variables.

Knowledge about CRUD operation.

Knowledge about Interface

Good Knowledge on Exception and Exception Handling

Good knowledge on Collection

Good knowledge in SQL DML, DDL Statements.

Good Knowledge in Constraints, Aggrigate Functions and Joins
